GOVERNMENT OF EXAMPLE STATE

Technical Specification & Engineering Standards

Document Reference: TPI/2026/001-TECH-SPEC | Date: 04-10-2026 20:09:55

Classification: OFFICIAL PUBLIC DISCLOSURE | Status: APPROVED

This document specifies the technical criteria, quality metrics, and testing procedures for pavement grade concrete, bituminous macadam, and structural steel.

All aggregates must adhere to Indian Standards Specifications IS:383 and Ministry of Road Transport and Highways (MoRTH) Section 500 guidelines.

Third-party testing from accredited national laboratories is mandatory for every 500 cubic meters of poured concrete.

Notice: This is a verified institutional electronic record issued by the Department of Public Infrastructure.
Digitally authenticated under Section 4 of Public Disclosure Framework.
